Our IITians Inspire

"Consistency & Passion can make everything possible": Prachi Sankhwar

"Smart work results better" : Shubhang Srivastava

"Felicitation is inspiration to others and;

Motivation to whom you are felicitating..."

A person cannot even think of how hard work the successful person had to do to reach his destination, how much pain he had to bear to get the essence of success.

In AECS-4 too we have such examples. Two of them are Ms. PRACHI SANKHWAR and Master SHUBHANG SRIVASTAVA getting Chemical Engineering, IIT Delhi and Electrical Engi-

neering, IIT Jammu respectively.

It's an honour to felicitate these real talents who had added another feather to the cap of AECS-4. So, in honour of these diamonds, our school organized a programme on 18th July, '19. The starting of the programme was with a melodious prayer followed by the welcome of the students with a bouquet of flowers. Mr. Kapil Gajbhiye (PGT English) took reins of the programme in his hands and figured out the things, he noticed in those students. He informed the audience as to how they behaved in class, how they utilised their time in class, etc. Resulting into a great success.

Master Shubhang Srivastav shared his experience and efforts made by him that resulted into a grand success. He told that he had gathered some Statistics about IIT which helped him a lot to understand the pattern of the questions. Some of the points he highlighted are that smart work is required rather than hard work. He also stated that

he studied 5-6 hours daily and during the exam this time period reached to 10 hours. The thing he emphasized more on was to do smart work and advised do yoga regularly to release stress from your mind.

In the sequence Ms. Prachi also addressed the students and she stated that consistency and passion for the goal are most important requirements. She advised the audience to work consistently in order to achieve the target.

The common things both the students emphasized on were consistency and time management.

After this, Mr. A. Joseph John (Principal) addressed the assembly and encouraged the other children and wished the two students all the best for their better future. The students were wished by the whole school by giving them token of love.

A very hearty congratulations and all the best to these students and may our school get more Prachi and Shubhang.

Our school is well known for its glorious and colorful event of annual science social science and teaching aids exhibition which was conducted this year on 9th of July. The students showcased static and working models based on various science principles. The decision of the jury was not only based on the concepts but also in the manner of presentation and confidence. Students ranging from classes V to XII participated whole heartedly and created eye catching projects of the viewers and judges. Some most important projects

were presented by students including all in one safety cum smart vehicle, trust the truss, bio toilet, properties of circle etc. The project on home automation and security was a unique one. A project on learning while playing secured the first rank in teaching aids category. In the teaching aid category, some of the teachers and staff members won positions. Shri. Anup Pathak (Lab. Asst) got the first position, Ms. Soniya Sayam PGT (Physics) won second position and Mrs. Sunita Mishra, TGT won the third position.

“May the road rise up to meet you. May the wind be even at your back. May the sun shine warm upon your face and the rain fall softly on your fields. And until we meet again, may God hold you in the hollow of his hand”.

Yesterday morning was of mixed emotions for all those who were present in the school auditorium to witness the official send-off of Mr. S. K. Soni and Mr R. K. Deen at the valedictory ceremony on 31st July 2019. The day was a fiesta devoted to the years spent together with these teachers to reminisce joyous moments

Start of function was very beautiful by welcoming our special guest Mr Soni sir and Mr R K Deen sir with our principal sir, Vice principal and HM madam. As they were the last batches of both the teachers. So the students were very emotional. They expressed their emotions with the help of words. Few loving words were delivered by Akush, Manvesh and Anushri. Students were very emotional as they knew that they would not get

any lectures from those teachers.

Some of the students in their speeches beautifully expressed how these teachers related bio and physics with their real life experiences. In between Miss Netrica madam told, how these teachers helped her in her school journey. Not only with students these teachers were close but also they were to other fellow teachers. Abhishek of class 12th sketched beautiful portraits of Soni sir and Deen sir.

This shows that how students were deeply attached with these teachers. Our head of institute, respected principal sir told us how these teachers contributed to the school by their knowledge. He told that he spent a very little time with these teachers but still in this small period he is deeply impressed with these teachers.

The most awaited moment came when Deen sir and Soni sir told us about their journey.

Deen sir told how he achieved this position and respect in this huge world. He was proud to be part of A E C S family and got the opportunity to impart the knowledge to the youth of the country.

Oath of ensuring maximum participation: Investiture Ceremony

'If your actions inspire others to dream more, lean more, do more and become more, then you are a leader.'

On 27th July 2019, AECS 4 RAWTBHATA celebrated the investiture ceremony with great pomp and dignity in a special ceremony at the school Auditorium. The day started with rains and continued for the major of the ceremony. But the rain didn't interrupt the ceremony from being a big success.

The Investiture Ceremony is a solemn occasion wherein all the young students are well prepared to don the mantle of leadership and responsibility while carrying it out with utmost dedication. The body of teachers first conducted an interview where they short listed the candidates to the best and then the school captains (boy & girl) are selected by the principal.

The chief guest to witness this occasion was Mr. VK Jain. He was escorted by the NCC cadets under the supervision of Bhatnagar sir.

After the arrival of the guest, the show was taken over by our teachers Mr. Kapil Gajbhiye and Mr. Vijay Shukla.

A spirit of unity and dynamism filled the air as the Grand Ceremony commenced with the Lighting of the auspicious Lamp followed by

the soulful rendition of the School Prayer.

Honourable guest was welcomed with a bouquet of flowers presented by some of our school children. Welcome song was sung by the school choir which was led by Bhatnagar sir.

Then the ceremony was addressed by our principal, Mr. A Joseph John. He guided the soon to be house and school appointees with the importance of responsibility and leadership. He wished all the new appointees the best and thanked the guest for being part of such an important ceremony.

Next our CCA in-charge, Mr. Rajveer Tanwar, shared with us about the CCA activities to be
