1. Read the following poem carefully.

The sun –yellow and bright,

Gives us life and light.

As soon as it sets in the west.

Comes the dark night.

     Now, the round white moon rises,

     Shining like a lamp at night.

     It keeps changing its shape

     Every fortnight.

Little stars too, twinkle bright filling the sky with star light.

The whole world sleeps

Peacefully without any worry.

     As soon as the cocks crow aloud,

     The new dawn arrives.

     It's time to jump out of bed

     And get busy with the day's work.
